## **DIRECTOR'S NOTES**

This is the second Jones, Hope, Wooten comedy that I have had the privilege of directing. While these shows are known for their raucous, laugh-out-loud Southern humor, what I love most about them is the heart that radiates throughout the dialogue. You will most certainly laugh, but I bet you might also have a tear or two and find yourself relating to one or more of these characters. The women in this story are so thoroughly developed and well-written, it's easy to be captivated by the story. This cast has worked so hard to bring these roles to life, and it's been a great pleasure to watch and help them find pieces of themselves within their characters. I believe you will see yourself, or someone you know, within them too. Please sit back and relax for the next couple of hours, and enjoy your trip to Winedale, Virginia. WE can't wait to show you around!

I would like to dedicate this show to the memory of my mom, Laura; my wife, Catherine Gail; and our soon-to-arrive daughter, Evelyn: three of my most-loved "wild" women.
